

# BE A PART OF THE JONES JAGATHON

GOAL: \$7,000 • RUNS THROUGH OCT. 27

Forget selling wrapping paper or candy. Don't hit up your friends and neighbors to subscribe to magazines. We've made this the simplest PTA fundraiser ever. What's involved? ***You just contribute what you can.***

Years of tight budgets at the state and local levels mean schools don't have much funding for extras. That's where PTA contributions come in. Your donation helps ensure that Jones students have access to programs that help them thrive! And if we reach our goal by the Fall Festival, Principal Luciano is going to take a pie in the face!
