\$3 per children age 4+  
or donate school supplies

*Color copy paper, dry erase markers, crayons, washable markers, composition books, glue sticks, pencils, tissues, hand sanitizer, etc.*

## HELP US MAKE THIS A RECORD JAGATHON

Each fall, the Jones PTA holds a give-what-you-can fundraiser. This year, we're encouraging families to give \$25 or more. That's less than a dollar for each week of school, and your child benefits directly from the programs — teacher grants, schoolwide assemblies, equipment and school supplies — paid for by the PTA. This year, we'd love to help buy additional Epson smartboards (which cost \$3,000 each) for Jones classrooms. We're sending home a form you can return with a cash or check donation. Or you can head straight to the link on the form and donate through PayPal.

And this year, you could win a prize! We have some great donated prizes that we're giving away to Jagathon contributors who donate at least \$25. If you give \$25, your name will be put in a drawing to possibly win a family four pack of UCG basketball tickets, gift cards to local stores or restaurants, and our grand prize, a 32 GB gold iPad!

Donate more and you'll get more chances to win. We'll put in an extra ticket for each additional \$25 that you donate. Give \$50, get 2 tickets. Give \$75, earn 3 tickets and so on. Read more at [jonespta.wordpress.com](http://jonespta.wordpress.com)

The deadline is Friday, Oct. 26, and we'll hold the prize drawing the next week. Please show your support and make this a terrific Jagathon!

### Help Jones by submitting Box Tops for Education

This year, collections will run from September through February, and there will be monthly classroom contests. Students in the class that submits the most Box Tops each month will get to choose a prize from a special treasure box. The fall collection deadline is Monday, Oct. 29, and the class that collects the most will win a classroom prize and ice cream party. **More at [jonespta.wordpress.com](http://jonespta.wordpress.com)**

### Afterschool programs develop creative thinkers

Mad Science offers its "Wow-ology" program. The weekly afterschool program will feature hands-on lessons about weather, gadgets and machines, bugs, machines and criminal science. Mad Science is open to kindergarten through fifth graders. It costs \$90 and runs from Sept. 26 through Oct. 24 each Wednesday. Students need to be picked up at 3:45 p.m. Stagelights theater program is also in the works. Look for more information on that soon. **More at [jonespta.wordpress.com](http://jonespta.wordpress.com)**
